

RJ 2 RECYCLED JUMBO TOILET ROLL 2-PLY 300M

Recycled Jumbo Toilet Roll 2-Ply with 300 meters - an eco-friendly and practical solution for busy restrooms. Crafted with a two-ply thickness for enhanced softness and durability, these recycled jumbo rolls provide both environmental responsibility and efficiency. Manufactured using 100% recycled post-consumer waste content, the Pacific Green range sets new standards for quality and softness qualities not traditionally associated with a recycled product. The exceptional break-down properties and cost-in-use of this product makes it the perfect choice for high-traffic areas such as schools, malls, airports and public restrooms.
